It's a little trickier than I anticipated. I reached out to Jose, who is the expert at all things. Let you know what I get back.

Any news? We could put it in the Farmers Market storage until you find out but you would have to be there to take possession of it, I think.

Hello Misty,

About a month ago we started a conversation about your Business Association making arrangements to have access to the items that the Neighborhood Council must divest itself of.

Any progress? thanks, Joan Potter 323 258-2555

If you could manage to get some City department to claim them, so that you could have them at your disposal, feel free to attempt to arrange that.

The items are in our storage space at Public Storage, 4101 North Figueroa Street. Should you want to take a look at them, I have a key and would be able to meet you and let you in.
